Jack Beatty

The 2010 Jack Beatty Hospice Memorial Regatta is in memory of Jack Beatty. Jack grew up on the Niagara River in Youngstown where he gained a passion for sailing. He spent much of his life navigating the Lower Niagara River and Lake Ontario where he was known and respected for his abilities as a skipper. Jack was also an accomplished water-skier. A national champion who performed at Cypress Gardens for many years, Jack was an innovator in kite skiing, jumping, barefoot, and trick skiing. As a member of the Youngstown Yacht Club, Jack was vital and active, encouraging new sailors, cruising his boat "Perbacco!" and living life to the fullest. When Jack was diagnosed with cancer in the summer of 2001, he was told that we planned to continue his legacy by naming this event in his memory. With the help of his family and friends, Jack sailed in what would be his final race. On August 22, 2001, he placed third in the White Sail Division. Jack passed away five days later while under the care of his loving family and Niagara Hospice. The event was renamed in his honor to remind us of a most spirited man who possessed a love of life and passed it along to all of us.

NIAGARA HOSPICE

Niagara Hospice cares for patients with end-of-life illnesses and supports family and loved ones through the illness and dying process. Our goal is to help patients live in comfort and dignity, surrounded by the warm and loving presence of loved ones. Hospice treats the person, not the disease, and emphasizes quality rather than quantity of life.

SATURDAY, JULY 10, 2010

We are pleased to announce that the Niagara-on-the-Lake Sailing Club will be joining together with the Youngstown Yacht Club for our 2010 Jack Beatty Hospice Memorial Regatta! This exciting new "international" event will serve as a qualifier race for the National Hospice Regatta Alliance (NHRA) Championship of 2011 and is open to all yachts with a valid PHRF certificate, C&C-29's, J-22's and Sharks. This year's race will be held on Saturday, July 10th on Lake Ontario near the mouth of the Niagara River. Representatives from both sides of the border are working together to plan, organize, and run what we hope will become one of the premier events of the summer racing season. The winner of the regatta, along with two crewmembers, will represent Niagara Hospice and our region at the NHRA Nationals in Rochester, New York.
